Privacy Policy

Future Forwarding Co Ltd respect and acknowledge our client's rights to privacy.

How we collect your information

We retain very little personal information from our customers beyond an email address which is supplied by yourselves in order we can communicate and supply information regarding the services we offer and that you have enquired about.

What we do with your information

We use your data during the course of business to supply you with information relating to current transaction details along with status updates and also to respond to quotation requests. We may use your information to send you service related notices, including any notices required by law, in lieu of communication by postal mail.

We may also use your contact information to send you marketing messages. If you do not want to receive these messages, there is an opt out option contained within them.

If you correspond with us by email. We may retain the content of your messages, your email address and our responses.

All information is stored on our secure servers in the UK.

Who we share your information with

We do not share your details with any third party, all information is strictly kept within the Company. Any requests to have your personal details removed from our data base will be responded to accordingly.
